Consultation on Speed Limit Bylaw 2019 | Kā Ture Pae Tere 2019

Queenstown Lakes District Council has started consultation on the draft Speed Limits Bylaw 2019 and recommended speed limit changes throughout the district.

Council is seeking your views on a proposed new Speed Limits Bylaw 2019 and proposed new speeds for some roads across the district following legislative change and a review of speed limits across council's road network. The proposed changes to the bylaw also removes road-specific information from the bylaw to be maintained in a separate referenced schedule. This allows Council to be more responsive should speed limits need to be amended whilst ensuring the community continues to be consulted on proposed changes.

Any person or organisation has a right to comment on the proposed Bylaw and the Council encourages everyone with an interest in the Speed Limits Bylaw 2019 in the Queenstown Lakes District to do so.
