## 1 Convention Centre

Do you support the revised rating model for the proposed convention centre?

Yes

### Convention Centre Comments

We DO NOT support the building of an international standard convention centre at the lakeview site in downtown Queenstown. We have a private operator who is prepared to spend his own money to provide Queenstown a convention center.

## 2 Wanaka Pool

The majority of the Wanaka community (that responded) accepted paying a projected cost of \$184 per residential property per year in the Wanaka Ward. Do you prefer that this project begins now with the rate charged from 2017 or the pool and rate be deferred until 2023?

2017

## 3 Transport Planning

**3A.** Is the Council taking the right approach to address congestion issues in central Queenstown by planning to reduce future traffic movements by 20 percent?

No

**3B.** Should Council increase parking charges and use any additional parking revenue to make public transport more affordable?

No

## 4 Frankton Library

Should the Council build a library hub at Frankton in 2020, at an estimated cost of \$5.3m?

Yes

## 5 Water and Wastewater – a Standardised Rate

Do you agree that Council should further investigate the principle of a standardised rate for water and wastewater?

Yes
